## **Brief For Kiosk Design**

Architectural Design Competition is part of 5 strokes by **AmbrellaArt (students)**.

With great design and innovation, architecture could change how the present and the next generation view small scale vendor property.

For the 5 Strokes Architectural Design Competition, contestants are invited to submit their Kiosk design. Divergent thinking will be appreciated.

### **Requirments for design:**

- Area: **100 - 150 sqft**
- Height: **7 - 15 ft**
- Location: **Any realistic location within pakistan.**

### **Winning criteria:**

The jury will encourage **sustainable, economic, design inovation, material experimentation, new building techniques and workable designs.**

### **Online submission requirments:**

Brief introduction to your concept, Floor plan,3D renders or sketches.

**Format: PDF**

## **THE OUTCOME:**

**The outcome will be a prize of PKR-10,000/- for the best work and we will showcase the best 5 - 10 entries on our website.**

The underlying purpose of the 5 Strokes Architecture Competition is not only to compensate entrants with prize money, but instead provide them a unique opportunity to deliver the world with solutions to the future.
