

**AMBRELLAART**

## **Graphic Design**

Graphic design uses visual compositions to solve problems and communicate ideas through typography, imagery, color and form.

**Choose any one of the 4 below listed options to create your design.**

1- "AmbrellaArt" an online art competitions organising platform, invites graphic designers to **create a promotional poster for the upcoming AmbrellaArt Art Competition & Name/title for the competition.**

One winning design, will be used in our next competition campaign mentioning designer's name on it.

2- The challenge is to **design a poster to solve current health care issues. What is your idea to empower coronavirus patients?**

Share with us your best problem solving designs.

3- Create an **awareness poster on any of the current social issues.**

4- make a **promotional poster or a campaign for restaurants who have been affected by covid.** and **design strategies to help them revive** in these challenging times

### **Submission requirement:**

Submit your design in the following formats:

1- JPEG (image)

2- Source File

3- Title or description
